**Analysis of Constitutional Measure No. 2  
(Senate Concurrent Resolution 4013, 2023 Session Laws, Ch. 598)**

Constitutional Measure No. 2 was placed on the ballot by action of the 2023 North Dakota Legislative Assembly with the passage of Senate Concurrent Resolution No. 4013 (2023 Session Laws, Chapter 598). If approved, this constitutional measure would amend and reenact sections 2, 3, 4, and 9 of article III of the Constitution of North Dakota, relating to initiated constitutional amendments.

If approved, the proposed amendments would require both constitutional and non-constitutional initiated measures to be limited to one subject as determined by the Secretary of State, who may not approve the initiated petition if it comprises more than one subject; require that measure sponsors be qualified electors; require that only qualified electors may circulate a petition; require petition signers to provide a complete residential address; and increase the number of signatures required to place a constitutional initiated measure on the ballot from four percent to five percent of the North Dakota resident population. Additionally, the proposed amendments would require that constitutional initiated measures approved by the Secretary of State be voted upon by the voters at the next primary election and, if approved by a majority of the voters, voted upon at the general election immediately following the primary election; if the measure fails at either the primary or general election, the measure is deemed failed.

The estimated fiscal impact of this measure is none.
