

ABSENTEE VOTER INSTRUCTIONS

1 VOTE

- Using a black or blue ink pen, completely darken the ovals next to your choices. It is very important that you color in the oval completely. Do not make an X or other mark.

Correct

Not Acceptable

- To vote for a write-in candidate you must blacken the oval and write the name on the line provided.
- When voting a political party ballot in the June election, you must vote along party lines. If you split your vote between the political parties, your ballot will not count for those races. This does not apply to no-party races or measures.
- You can vote for as many or few contests or races as you choose.

2 REVIEW

- If you make a mistake while voting, return your spoiled ballot to an election official to receive a new one. You may receive up to two additional ballots. The third ballot must be cast as voted.
- Review your ballot to ensure that you have completely filled in the ovals by all your choices.

3 SIGN & SEAL

- Place only 1 ballot inside the ballot secrecy envelope.
- Place the secrecy ballot inside the return envelope and seal.
- Sign and date the back of the return envelope.
- Return ballot to the election official.

Scan the QR code to view the full text of statewide ballot measures or ask an election official if you would like to read them in their entirety.
