

LONG TERM CARE CERTIFICATE

IDENTIFICATION FOR VOTING PURPOSES

FACILITY NAME:

PHONE:

This document serves as valid identification for voting purposes for individuals residing in long term care facilities. Once completed and signed, this certificate can be used at in-person polling locations or as identification for absentee applications.

Individuals residing in a long term care facility have two options for casting their vote:

- **Where the long term care facility is located.**
 - They must have resided in that location for 30 days prior to the election.
 - The resident should go to the polling location that is assigned to the long term care facility.
 - An absentee ballot application should include the facility address and be submitted to the county where the facility is located.
- **Where they lived prior to moving to the long term care facility.**
 - The voter should go to the polling location that is assigned to their permanent or previous address
 - The absentee ballot application should include their permanent or previous address and be submitted to the county where their permanent or previous address is located.
